

The ODHC Gardening Group

Update – 27th April 2019

We had a good session this morning -- we've filled the veg plots with earth, and have got our first, donated plants in!

Our next session will be in two weeks' time, on Saturday 11 May, from 10.00 am as usual.

We would love to receive donations of the following plants:

- * Beans
- * Courgettes
- * Fennel
- * Kale
- * Various herbs
- * Fruits -- raspberries, blueberries, strawberries etc
- * Any 'spare' flowers that people might have in their gardens.

Also, just to flag up that the ODHC gardening group's social media accounts are now live, and we're sharing on them pictures of our progress, appeals for plants etc.

We can be found on Twitter and Instagram at @odhcgardeners, and on Facebook at The Old Dairy Health Centre Gardening Group.

A big 'thank you' to Lambeth Reuse and Recycling Centre, Vale Street for the recycled tools, which we're now putting to good use.
