

# The Old Dairy Health Centre

## Acute Walk-In Clinic

We now have an acute walk-in clinic in the mornings Monday to Friday.

The session will operate on a **first come first served** basis and you will not have the option of picking which GP you see. Only **one** issue and **one** patient can be dealt with in each appointment.

To access the Walk-in clinic please come to the surgery in the morning between **8.30am** and **10.00am**

You will be asked the reason for your appointment when being booked in and if it is not urgent you will not be seen and will be asked to book a routine appointment.

**Acute and will be seen** - Please note this list is not extensive and if you are not sure ask a member of reception

- Chest Pain
- Shortness of breath
- Urine infection
- Abdomen Pain
- Chest infection
- Earache
- Sore Throat
- Rash
- Inflamed Eczema
- Coughs/Cold
- Stomach Bug
- High Temperature
- Sudden onset of Anxiety, depression or mood change
- Emergency Contraception

**Non Acute and will not be seen**

- Prescriptions
- Medication Review
- Results
- Gynaecological Conditions
- Dressings or wound care
- New or Repeat contraception
- Sick Note
- Ongoing issues – if you have had symptoms for more than 2 weeks.

We will still have a limited number of telephone appointments for results and follow ups.

For medication reviews please book to see or speak to our pharmacist.

**Please note that you need to be present to book yourself into the clinic and if you leave the premises you will lose your appointment slot.**
